

coal ENERGY

From the Mine to the Utility

ADVERTISING OPPORTUNITIES

Coal Energy magazine serves as a forum to communicate and promote the nation's professional coal producing and consuming communities. Effectively reach professionals from the four major coal associations - including American Coal Council, National Coal Transportation Association, American Coal Ash Association and RMEL.

Reach your target market with one ad, for one price.

Strengthen your relations with the decision makers who purchase your products and services. Symbolize your support for the industry's fastest growing e - journal.

AUDIENCE

Coal Energy goes out to members of the four associations listed above. It is geared towards coal production, transportation, and consumption.

Our audience consists of mine operations supervisors, coal plant directors, rail car owners and manufacturers, rail carriers, barge carriers, utilities, power plant developers and engineers.

EDITORIAL FOCUS

Coal Energy will profile companies and individuals in the industry, cover the latest news and events, and analyze trends in today's coal consumption. For a complete editorial ladder or to submit press releases, please email info@martonickpublications.com
